JAMBOREE PAYMENT MILESTONE NOVEMBER 15TH :

The second major jamboree milestone is November 15th. Every effort was made to develop a payment schedule to make payments as easy as possible on families. It is important that we meet these milestones so that the council does not incur any late fees from BSA National. Prompt payments also ensure we can begin purchasing jamboree equipment.

PRE-JAMBOREE TRAINING EVENT #1 - NOVEMBER 20-22

On the weekend of November 20-22 the Palmetto Council will hold their first pre-jamboree training event. This first event, scheduled for November, is a critical meeting for our jamboree troops. This will be the first time scouts will assemble in their jamboree troops, meet fellow jamboree scouts, meet with their unit leaders, and begin working together as a troop. During this event scouts will select their troop youth leadership positions, form patrols, and learn more about the various jamboree activities. We will conduct jamboree informational sessions and tell how to pre-order jamboree uniform patches, troop numerals, jamboree troop t-shirts, daypacks, and other jamboree “stough.” We will explain our Jamboree itinerary and cover opportunities for scouts to participate in special jamboree events.

Things to Remember:

- Registration and check- in will begin at 7:00 pm sharp on Friday, November 20th. It is important to arrive on time so as not to miss any of the planned evening activities.

JAMBOREE PHYSICAL FORMS

All registered jamboree participants should have received their official jamboree medical form. These were emailed to jamboree participants from the National Jamboree Medical Division. The first batches of these medical forms were emailed out in September and were sent to the primary email address listed on your jamboree application. The jamboree medical form is in a PDF form format and bar-coded with your jamboree identification information. This is the only medical form that will be accepted for the jamboree. The medical form information is being sent out in two emails. The first will contain the medical form and the second will contain a password to open the form. Scouts who have not received their official jamboree medical form may need to go back in to their jamboree application and insure their primary email address is correct. You will need your jamboree registration code to reopen your application. The jamboree registration code is listed on the jamboree application and will appear on your jamboree payment invoice. Contact John Nettles if you have not received your Jamboree Physical form by email. jambo2010@bellsouth.net

The official jamboree medical form **IS NOT NEEDED** for the November pre-training event, but can be used if you have already had the physical performed.

FREE JAMBOREE PHYSICALS:

We have made arrangements with local physicians and medical services to provide **FREE** medical physicals for Jamboree participants. You are welcome to use your own personal family physician.
