

# JAMBO – GRAM - 07

Palmetto Council 2010 National Scout Jamboree Information

**MARCH 1, 2010**

## **ARE YOU READY?**

**The Stage is set and the activities are planned for you to have “The best, most exciting, fun-filled, safest jamboree ever!”**

Jamboree daily activities will offer fun, challenge, an opportunity for religious resections, citizenship, and the international brotherhood of being with Scouts from other countries of the world. Patrol and individual competitive events will be carried out on a troop and sub camp level.

New methods of practicing and demonstrating skills will be an important part of the jamboree. The skills will include archery, orienteering, challenge trails, marksmanship, boating, canoeing, hunter safety, as well as updated versions of the disabilities awareness trail, competitive events, merit badge midway, and the Technology Quest. ### **LAST JAMBOREE PAYMENT MILESTONE DUE MARCH 15<sup>th</sup> : (Finally☺)**

The last major jamboree milestone is due March 15<sup>th</sup>. Included in your March payment invoice will be the added charges from your individual extra jamboree merchandise orders. It is important that we meet these payment milestones so that we can continue purchasing our jamboree contingent equipment, and honoring our hotel, transportation, tour reservation commitments.

### **JAMBOREE SWIM TEST:**

You will not want to miss out on the opportunity to participate in scuba diving, canoeing, swimming, sailing, kayaking, snorkeling, and all the other aquatic activities while at the jamboree. In order to “Be Prepared” you must have passed an annual BSA swim test. Our Jamboree contingent has scheduled the following dates for jamboree scouts to complete their swim test. Any jamboree scout from any of our jamboree troops may attend either of these swim test dates. Swim test are being set up on each side of our council in order to accommodate all jamboree scouts.
