

# LEADER OUTDOOR EXPERIENCE

Please plan to arrive at the training site on or before the published time of 8:00 am on Saturday. Please bring a snack to share with participants of the course during our Cracker Barrel; a gathering of people for fellowship and fun. **This is a 30 hour program and require you to be present the entire 30 hours to be considered trained.** We will provide your lunch and supper on Saturday as well as breakfast on Sunday, program materials, your tent or Adirondack for the night, demonstration materials, and recognition emblem at the conclusion of the course.

Upon arrival, we will assign you to a den. Our policy has been to separate leaders from the same unit. This will allow you to meet more people and the opportunity to learn more new ideas.

You may bring additional mattress padding.

Listed below are the items you will need to bring with you for the Overnight Training:
